🔗 Portfolio

Profile

Detail-oriented Frontend Developer with a strong focus on building responsive, user-friendly interfaces using **React.js**, **Tailwind CSS**, and modern web technologies. I enjoy transforming ideas into interactive, accessible, and high-performance web experiences. Whether working independently or as part of a full-stack team, I strive to write clean, maintainable code and contribute meaningful value to every project.

Skills

Technical Skills

- **Frontend Development:** React.js, Next.js, TypeScript, JavaScript (ES6+)
- **Styling & Markup:** Tailwind CSS, HTML5, CSS3
- **Backend/APIs:** Django, REST APIs

Soft Skills

- **Collaboration:** Teamwork, Clear Communication
- **Problem-Solving:** Analytical Debugging, Creative Solutions
- **Work Ethic:** Time Management, Attention to Detail, Adaptability

Tools & Platforms

- **Version Control:** Git, GitHub
- **Development:** VS Code, Postman
- **Deployment:** Netlify, Vercel

Projects

Django Portfolio Guide [🔗](#)

React, TypeScript, Tailwind CSS, Chart.js

An interactive roadmap tool helping Django learners explore and filter projects by complexity, duration, and skills.

- Built as a self-learning planner and later extended to support other independent learners.
- Includes skill-focused categorization, modals, dark mode, and interactive data visualization.

Personal Portfolio Website [🔗](#)

React, Tailwind CSS

Built a responsive, theme-switchable portfolio to showcase projects, skills, and achievements in a modern interface.

- Designed as a professional landing space to highlight frontend skills and personal branding.
- Implemented dark/light mode toggle and ensured a fully responsive layout for seamless viewing across devices.

Professional Experience

03/2025 – present

Addis Ababa, Ethiopia

Project Management System

MinT Software Developer Intern

- Contributing to the frontend of a private Project Management System using Next.js, building responsive UI components for dashboards and task tracking.
- Partnering with backend teams via GitHub for seamless integration.

Education

2022 – present

Haramaya, Ethiopia

BSc in Software Engineering

Haramaya University
